

METALWARE

Raising the standard for industrial shelving since 1954

Introducing the Integrated Modular Drawer

Compatible with **METALWARE** Interlok and E-Series Widespan shelving systems

Made in Canada - Designed and manufactured by **METALWARE**

/ Benefits of the new Integrated Modular Drawer

- ✓ Maximize storage efficiency by consolidating small parts
- ✓ Full drawer extension provides quick and easy access to parts
- ✓ Good visibility and better control of valuable inventory in storage
- ✓ Is made of industrial strength steel (self-closing, 450 lbs capacity per drawer)

Integrated modular drawers installed in Interlok shelving

Integrated modular drawers installed in E-Series Widespan shelving

Integrated modular drawers and factory-made structural components with Interlok shelving in a customized multi-tier application

METALWARE drawer adaptors are compatible with EZ-Rect Type 1 and NAS 7000. Contact **METALWARE** if adaptors for other styles of shelving are needed.

METALWARE

Raising the standard for industrial shelving since 1954

/ Features

***FULL-HEIGHT DRAWER
SIDES & DRAWER FRONT**

ERGONOMIC DESIGN

DROP-IN DIVIDERS

**FULL, SMOOTH
EXTENSION ARMS**

1. COMPATIBLE

Fully compatible and adjustable with **METALWARE** Interlok and E-Series Widespan shelving systems.

2. *DEEP COMPARTMENT DRAWER DESIGN

Avoid spillage, drawer sides and dividers are flush with the top of the drawer-front.

***NB: An 8" drawer front has a full 7" usable storage depth.**

3. ERGONOMIC DESIGN

Full-width and deep-grip handle design for a secure hold.

4. DROP-IN DIVIDERS

Use standard drawer configurations and customize your compartments with drop-in dividers at every inch.

5. FULL EXTENSION

Full pull-out and push back extension for easy viewing and access / self-closing, 450 lbs capacity per drawer.

6. SUPERIOR CONSTRUCTION

Exceptional quality designed to last and built to the highest standards of **METALWARE** construction.

7. GUARANTEE

Each **METALWARE** drawer is backed by a 5 (five) year limited warranty against manufacturer's defects. Drawer slides carry a limited lifetime warranty directly with Fulterer (slide manufacturer).

/ Drawer Dimensions: Nominal vs. Useable Measurements

To determine real drawer measurements:

Eg. 8" (H) x 18" (D) x 36" (W)

Nominal height:	8" less 1"	= 7" useable height
Nominal depth:	18" less 3"	= 15" useable depth
Nominal width:	36" less 4"	= 32" useable width
