Integrated Modular Drawer

metalwareshelving.com

METALWARE

Table of Contents
/ Features

1. *Compatible

Fully compatible and adjustable with all Interlok and E-Series Widespan units.
*NB: For accurate drawer clearances, please contact Metalware

2. *Deep Compartment Drawer Design

Avoid spillage, drawer sides and dividers are flush with the top of the drawer-front.
*NB: An 8" drawer front has a full 7" usable storage depth.

3. Ergonomic Design

Non-slip ergonomic handle design for easy grip and secure hold.

Metalware is proud to introduce our newest product: the Integrated Modular Drawer. Saving more space while maximizing storage capacity and ease of access has never been easier. This drawer system answers a wide range of storage needs while occupying a smaller footprint. Made of superior 18ga steel and built to last, Metalware's latest offering combines strength and durability for years to come, with a design that is as unique as your needs.

This heavy-duty welded drawer can easily hold up to a total of 450 lbs and can easily be integrated with all current Interlok and E-Series Widespan shelving units, maximizing your existing storage space. The drawer unit is framed within the shelving system using adaptor brackets for added security and unparalleled strength. The boxed drawer-sides and Delrin Roller rail-system increases coverage and support of your goods, while the full-length ergonomic handle provides easy grip for effortless pull-push maneuverability. Maximize each drawer space with 20ga steel drop-in dividers offered in a variety of configurations. The powder-coated finish adds to the streamlined and functional design.
4. Drop-in Dividers

Each drawer includes drop-in dividers offered in a variety of configurations to compartmentalize and maximize your storage needs.

METALWARE
/ Specifications

Model name	Integrated Modular Drawer
Category	Drawer for Interlok and E-Series Widespan shelving systems
Depth (inches)	18" or 24"
Width (inches)	36" W or 48" W
Drawer height (inches)	3" - 4" - 5" - 6" - 8" - 10" - 12"
Drawer capacity (each)	450 lbs
Colors available	Light grey, red, blue, black, white
Custom colors available	Yes

5. Full Extension

Complete extension with sliding pull-out and push back for easy viewing and accessibility / self-close with 450 lbs capacity per drawer.

6. Superior Construction

Exceptional quality, designed to last and built to the highest standards of Metalware construction.

7. Guarantee

Each Metalware drawer is backed by a 5 (five) year limited warranty against manufacturer's defects. Drawer slides carry a limited lifetime warranty directly with the slide manufacturer.

DRXXXXX_-01-0000_

*Note about the following drawer codes:
DRXXXXX_-00-0000_ = empty drawer
DRXXXXX_-01-0000_ = empty drawer with mat

/ Available Adaptor Heights

Pick your adaptor size and corresponding product code:

12" H	INDA12_
18" H	INDA18_
24" H	INDA24_
36" H	INDA36_
48" H	INDA48_
60" H	INDA60_
/ Important

- The shelving unit must be assembled and anchored to the floor using footplates prior to inserting the drawers
- All hardware mentioned is required and should be included with your order
- Metalware provides ⅜" x 3" anchors for each post to be anchored onto a structurally sound cement floor
- *It is recommended that two people carry out the assembly
