/ Features

1. *Compatible

Fully compatible and adjustable with all Interlok and E-Series Widespan units.

*NB: For accurate drawer clearances, please contact Metalware

2. *Deep Compartment Drawer Design

Avoid spillage, drawer sides and dividers are flush with the top of the drawer-front.

*NB: An 8" drawer front has a full 7" usable storage depth.

3. Ergonomic Design

Full-width rounded handle and made of aluminum.

Save more space while maximizing storage capacity and ease of access with the Integrated Modular Drawer. This robust drawer system answers a wide range of storage needs while occupying a smaller footprint. Made of superior 18ga steel and built to last, Metalware's latest offering combines strength and durability, qualities Metalware is always known for.

This heavy-duty welded drawer can easily hold up to a total of 450 lbs and can easily be integrated with all current Interlok and E-Series Widespan shelving units, maximizing your existing storage space. The drawer unit is framed within the shelving system using adaptor brackets for added security and unparalleled strength. The boxed drawer-sides and Delrin Roller rail-system increases coverage and support of your goods, while the full-length ergonomic handle provides easy grip for effortless pull-push maneuverability. Maximize each drawer space with 20ga steel drop-in dividers offered in a variety of configurations. The powder-coated finish adds to the streamlined and functional design.

4. Drop-in Dividers

Each drawer includes drop-in dividers offered in a variety of configurations to compartmentalize and maximize your storage needs.

/ Specifications

Model name	Integrated Modular Drawer
Category	Drawer for Interlok and E-Series Widespan shelving systems
Depth (inches)	18" or 24"
Width (inches)	36" W or 48" W
Drawer height (inches)	3" - 4" - 5" - 6" - 8" - 10" - 12"
Drawer capacity (each)	450 lbs
Colors available	Light grey, red, blue, black, white
Custom colors available	Yes

5. Full Extension

Complete extension with sliding pull-out and push back for easy viewing and accessibility / self-close with 450 lbs capacity per drawer.

6. Superior Construction

Exceptional quality, designed to last and built to the highest standards of Metalware construction.

7. Guarantee

Each Metalware drawer is backed by a 5 (five) year limited warranty against manufacturer's defects. Drawer slides carry a limited lifetime warranty directly with the slide manufacturer.

Get in Touch

Metalware is here to work with you to bring to life any project imaginable. Get us started on your next project by sending us an email at info@metalware.ca or calling us at 1-514-937-9533.

/ High-Density Shelving Units With Integrated Modular Drawers

Our heavy-duty modular drawers are the most flexible on the market today. Arrange and rearrange them easily within Metalware shelving units as needed to organize better and keep operating costs to a minimum.

2 available drawer **Depths: 18"** and **24"**

2 available drawer **Widths: 36"** and **48"**

/ Dividers, Separators & Drawer Heights

20 GA drop-in **dividers** match the drawer heights and come in a variety of dimensions. Additional drop-in dividers are available. Easily adjustable at every inch to create the perfect storage compartment.

Separators span the full depth of the drawer and match the drawer height. They are screwed in during warehouse assembly to create vertical subdivisions. Additional separators are available. Easily adjustable at every inch to customize your spacing requirements.

7 available **drawer fronts**:

3"	2"
4"	3"
5"	4"
6"	5"
8"	7"
10"	9"
12"	11"
Drawer Fronts	Useable Depths

/ Assembling Metalware's Integrated Modular Drawers

Bolt each adaptor bracket to the corresponding post at each corner inside the unit.

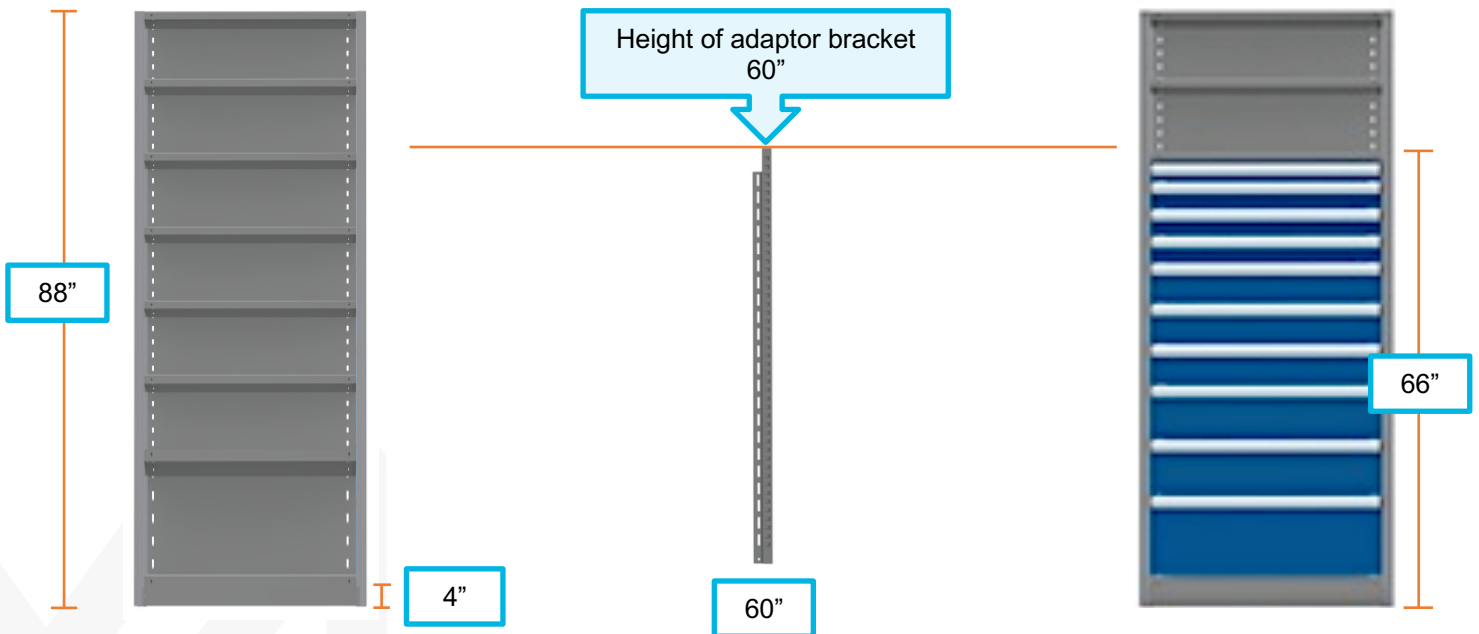

Attach all drawer rails and slides to the adaptor brackets. Close off the unit with the back and end panels.

Insert each drawer by gently sliding it into the corresponding rail.

Height of adaptor brackets
12" – 18" – 24" – 36" – 48"

Height of adaptor bracket
60"

DR82448_-16-0312_

DR	8	2448	L	16	03	12	S
----	---	------	---	----	----	----	---

Product Type: Drawer

Drawer Front Height: 8"

Drawer configuration: 24" D x 48" W

Drawer Box Color: L (Light Gray)

of Compartments: 16

Drawer front color: S (Classic Blue)

of Dividers: 12

of Separators: 3

*Note about the following drawer codes:

DRXXXXX_-00-0000_ = empty drawer

DRXXXXX_-01-0000_ = empty drawer with mat

*DRXXXXX_-00-0000_

*DRXXXXX_-01-0000_

/ Available Adaptor Heights

Pick your adaptor size and corresponding product code:

12" H	INDA12_
18" H	INDA18_
24" H	INDA24_
36" H	INDA36_
48" H	INDA48_
60" H	INDA60_

/ Important

- The shelving unit must be assembled and anchored to the floor using footplates prior to inserting the drawers
- All hardware mentioned is required and should be included with your order
- Metalware provides $\frac{3}{8}$ " x 3" anchors for each post to be anchored onto a structurally sound cement floor
- *It is recommended that two people carry out the assembly
